

## ART & CULTURE

India is a nation where an ideal merged of countless traditions and culture and heritage is so unique and valuable. The customs and traditions practiced in a particular area of the nation are usually influenced by the geographical and climatic conditions of that area. There are numerous regions where cultural practices are based on the local needs of the people. Overseas invaders who attacked the country also brought with them their customs and traditions which ultimately merging of culture created new forms of Art, Music, Dance and structural design.

For the promotion of all above schools are the ladder to promote this art and culture in the country. This art is being done through performing and visual Art. visual art painting, drawings, Rakhimaking, Mask Making, Bandhanmaking, Diya decoration, Greeting card making etc. work are done in the Vidyalaya. As far as the performing art is concerned Dance, Play skit are performed in the Vidyalaya with great enthusiasm, so that the students can connect themselves with their own culture.
